

Conference day 1 wrap up

AEIMN

Animal Emergency Incident Management Network
(Australia & New Zealand)

A+EIMN
Animal Emergency Incident Management Network
(Australia & New Zealand)

Day 1 in quotes

- Look after yourselves - don't skimp on self help
- Animals are different, they perceive the rescuer as a threat
- The animal rescue events that did not go well still haunt me
- Prepare to be underwhelmed
- People have normal reactions to abnormal events
- Know what to look for and know how to dial it back
- 75% of new human diseases come from animals
- Keep mozzies away – spray up, cover up, screen up
- We value the mutual work we do – it will take us to the next level

Day 1 in quotes

- We are fortunate in NSW, some other states are a bucket case
- 36% of Hawkesbury flood rescues were for large animals
- We have landholders who ask for hay as soon as the skies darken
- Faecal treacle
- Animals weren't the biggest challenge, people were
- That pig just turned up in someone's house
- 719 earthquakes..... in a week
- If you want drama you have come to the right place
- And they have a fire pole!
- My vision is that 000 in any state gets you animal emergency response
